Where: by phone - Nonresponsive Conference Code

Good morning everyone,

I have set up this call to occur for the next week. It will happen at the same time every day - including over the upcoming weekend. We may be in a position to drop these at some point - but we can arrive at that decision next week. Since there are potential impacts to three regions I have included 6,8 and 9.

Here is the call-in information for the calls:

Number: 1-866-299-3188

Code: Nonresponsive Conference Code

Thanks.

Matt
